

## 2019 Personal / Group and Boot Camp Terms

Please read through, sign at the bottom and return ASAP!

### Personal and Partner Session Policy:

8-hour cancellation notice (no exceptions). I have been blessed with a full business and can fill your session time with adequate notice. If you cancel less than 8 hours from your session, I lose the opportunity to fill it. I hate charging for sessions I do not work so please give me the notice!

### Boot Camp Session Pricing and Policies:

\$70 for 4 sessions (consecutive, no make-ups)  
\$130 for 8 sessions (1 make-up in a 4 week period)  
\$250 for 16 sessions (3 make-ups)

- In order to receive a free make-up, you must cancel 8 hours or more in advance.
- Must pay for the next package on the last session of your current package.

### Payments:

I need at least one session in advance. Packages are also a way to save money. 10% off 10 pack or 15% off 20 pack. **Sessions don't expire but cannot be refunded.**

### Incentives:

If you attend all of your sessions in a 30-day period (no exceptions to 30-days), your next session will be 1/2 off. If you attend all of your sessions in a 60-day period, your next session will be free!

*Example:* You are a client who signs up for 8 sessions a month, and you attend 8 (even if different days/times then your normal schedule). Your 9th session will be 1/2 off! If you do this again, your 17th session is free!

### Referrals:

Refer a friend and receive a free session when they sign up for a package or come to 8 sessions.
